

INTERNATIONAL BACHELOR'S DEGREE IN FRENCH-JAPANESE DESIGN

Manga, Japanese Animation, Illustration

**STUDY
2 YEARS
IN JAPAN**

LET'S LEARN MANGA AND JAPANESE DESIGN

IN FRANCE AND IN JAPAN WITH OUR PARTNER SCHOOL
OSAKA SOGO DESIGN

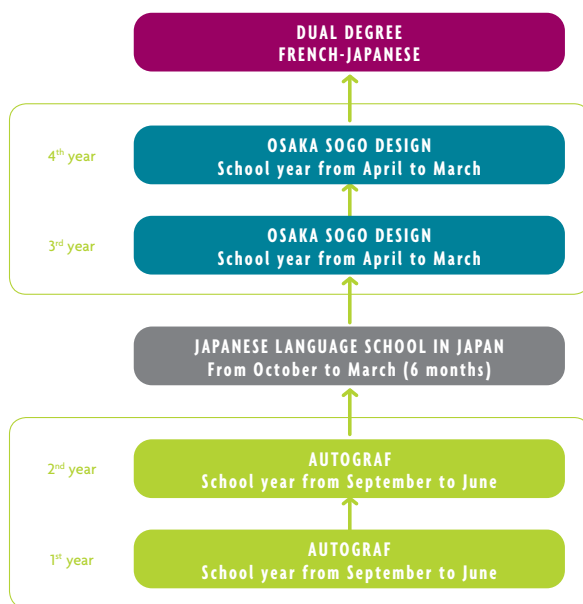

Partnership between AUTOGRAF and the Japanese school OSAKA SOGO DESIGN, offers students a four-year and half training in manga drawing, illustration and Japanese design.

This program consists of two training years in France, followed by two years and half of training in **Osaka**, Japan, in one of the most prestigious schools of manga and design in Japan: **OSAKA SOGO DESIGN**.

At the end of these four years and half of study, the student will obtain a **dual degree**. A French diploma issued by **AUTOGRAF** and certified by the **FEDE**

(Federation for EDucation in Europe). But also the **Japanese diploma** from **OSAKA SOGO DESIGN** which certifies a professional two-year training in Japan.

At the end of the first two years of training in France, the student will also have the possibility to stay at Autograf school for an additional year to complete his Bachelor of Graphic Design option illustration, and be able to obtain a Bachelor's degree, and continue his studies in a more traditional design program in **France** or **abroad**.

AN

From France to Japan

At the end of the two years training in France, the student will integrate the studies of his choice at **OSAKA SOGO DESIGN** school, in the following fields:

- Communication Design
- Art Illustration
- Manga
- Comic Art
- Figure Modeling
- Animation
- Game

What happens next?

At the end of these four years and half of study in **France** and **Japan**, students will have a complete professional and linguistic background, allowing them to enter the professional world in **Japan** but also in **France** and abroad in their chosen field of study.

Their **international Franco-Japanese dual degree** will allow them to have their studies recognized in **Japan, France**

and in most of the countries around the world, thanks to the **FEDE** accreditation of their International Bachelor's degree. This will allow them to have a better professional insertion, but also to pursue their studies in Masters programs if they so wish.
